Ohio Carry - Northwest Chapter minutes from June 2014 monthly meeting.

After our successful open carry educational walk in downtown Toledo, we conducted our monthly meeting over lunch and discussed the following....

For our upcoming open carry picnic on July 19th we discussed places in which we can find the best deals for food, such as hamburgers, hot dogs etc at places such as Sam's club, Sofo foods, GFS, Costco and Wal-Mart. We also discussed what we had left over from the last picnic, which was some condiments, along with paper plates and utensils. Also discussed was the check received from Michigan Open Carry for \$32.00 for a portion of the shelter rental for the upcoming picnic and that they are donating \$80 total for the event and William suggested for Robert to follow up with MOC to renegotiate with them for more than \$80 for the event due to the cost of the event. Also Robert and myself discussed that we will be bringing our gas grills to the event to cook for everyone and I will also be bringing my generator so people can bring crock pots etc and be able to keep things warm. We also set up a sign up sheet for people who are going to bring something to the picnic so that way everyone knows who is making what and we don't have too much of one thing. I posted that signup sheet on the picnic's page already.

We also agreed to order 100 window decals to start off with and we would sell them for \$5.00 each which allows for \$3.75 profit off of each one sold. Also we are working on a way to accept online payments so as to be able to sell them online and ship them right to people's homes. We also agreed on using the standard Ohio Carry NW logo. They will be ordered on Monday 6/16/14.

We also discussed having a PR person for upcoming events such as the open carry walks and picnics etc. and to contact law enforcement and media for walks as well. As I currently understand it I (AJ) am going to handle that task as well.

Business cards were also discussed and were going to be ordered on Sunday by William for \$36.00 for 500 cards with writing on both sides.

After asking if there was any other business to discuss, we adjourned our meeting. Our meeting lasted approximately 50 mins and was conducted from 4:00 p.m. until 4:50 p.m.
